

FALL HOMESCHOOL DAY

Geology

Rocks!

Wed. October 7th, 2015

9:30am-2:00pm

Nixon Park Nature Center

*Join county and state park
naturalists for a special home
school day all about geology!*

Participants will hike to look at unique geological formations at Nixon Park, dive into the world of volcanoes and earthquakes in a hands-on presentation, explore the Nature Center on a geology scavenger hunt, and take home a rock-themed craft!

Home schooled students
ages 6-11 years or
studying 1st through 6th
can register by calling
428-1961
